- Compatible with DXPULSE 18V series

DESCRIPTION

Part of the D20 multi-tool battery system, this cordless multi-tool has a 3° oscillating action making it effective at cutting, sanding and grinding using its multiple attachments. It has a quick-release blade function for easy transition between different tasks. The variable speed control allows optimal cutting performance specific to the application. Its lightweight and compact design makes it ideal for working in tight spaces. Fitted with a soft grip for comfortable use. Supplied with sanding sheets, sanding backing pad, saw blade and scraper. D20 batteries and chargers available separately.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.

CONTENTS

3 x Sanding sheets
