STOCK No. 98501 **BRAND** D20

BARCODE 5010559985012

WARRANTY 36 months parts and labour

FEATURES

- Adjustable power
- Additional blower function
- Brushless technology
- On-board tool storage

DESCRIPTION

Part of the D20 multi-tool battery system. This cordless wet and dry vacuum cleaner is easy to use and designed to pick-up dry debris, dust and liquid. The adjustable power function allows you to choose between two levels of suction. The 10-litre tank and compact design is ideally suited for cleaning the car and around the home. The on-board tool storage system provides easy access to additional nozzles and accessories. D20 20V battery and charger are available separately. D20 interchangeable battery system allows you to combine one battery with any of the tools within the D20 series.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.

CONTENTS
