FEATURES

- Curved blade for enhanced leverage
- Striking cap for hammer-through action
- Shock resistant soft grip handle
- Made from hardened and tempered chrome molybdenum steel
- Blackened finish for added corrosion protection
- Supplied with protective cap for the blade tip

DESCRIPTION

This pry bar is designed for optimal performance and user comfort. It features a curved blade for enhanced leverage and a striking cap that allows for effective hammer-through action. The shock resistant soft grip handle provides a secure and comfortable hold, making it easier to tackle tough tasks. Made from hardened and tempered chrome molybdenum steel with a corrosion resistant blackened finish, this pry bar is built for strength and durability. It comes with a protective cap for the blade tip, ensuring safe storage and transport.
