FEATURES

- Telescopic height adjustment pole up to 280mm
- Interchangeable brush heads
- Adjustable auxiliary handle
- Transparent safety guard protects from flying debris
- Adjustable brush angle
- Lightweight design for ease of use
- Includes 2.0Ah Li-ion battery and charger

DESCRIPTION

This cordless weed remover efficiently eliminates weeds and moss from between paving stones without the need for harmful chemicals. Its height adjustable, telescopic handle (up to 280mm) eliminates the need for bending, reducing strain during use. The ergonomically designed handle, complemented by an adjustable auxiliary grip, ensures comfortable and precise weeding. A guiding wheel provides stability and keeps the tool grounded for efficient sweeping, while a brush guard shields against flying debris. The tool comes with two interchangeable brushes: a nylon brush, ideal for wooden decking or decorative stones to minimise scratching, and a metal brush for tackling tough, stubborn weeds on paving. The adjustable brush angle enhances versatility. Lightweight construction makes it easy to handle. Includes a 2.0Ah Li-ion battery and charger.

CONTENTS

1 x 2.0Ah Li-ion battery
1 x 2.4A charger
1 x Nylon brush
1 x Metal brush
1 x Wrench

SPECIFICATIONS
