

230V Diesel and Kerosene Space Heater, 102,300 BTU/30kW

STOCK No. 04176 BRAND Draper

BARCODE 5059482034886

WARRANTY 12 months parts and labour

FEATURES

- Fitted with a compressor pump for high efficiency
- Heats quickly and evenly and offers great fuel economy
- Made from high-quality steel with a protective gloss black powder coated finish
- Simple to use and fitted on a steel frame with wheels for manoeuvrability
- Suitable for use in open and semi-open environments such as workshops, garages, factories and jobsites
- Grade 2 or higher kerosene required

DESCRIPTION

This multi-fuel diesel and kerosene clean burn heater is fitted with a compressor pump for high efficiency. The 33L tank offers great fuel economy, able to heat large spaces quickly and evenly for approximately 10 hours. It is manufactured from high-quality steel and has a protective gloss black powder-coated finish. There is a simple on/off switch for ease of use and a LED light shows when in operation. It is fitted on a steel frame with wheels for maneuverability. This heater is only suitable for use in open and semi-open environments such as workshops, garages, factories and jobsites. Grade 2 or higher kerosene required.

CONTENTS

1 x 230V Diesel and Kerosene Space Heater, 102,300 BTU/30kW

SPECIFICATIONS

Voltage	230V
Motor	225W
Maximum output	100,000 BTU/30kW
Airflow	600m ³ /hr
Tank capacity	33L
Fuel consumption	2.8L/hr
Dimensions	L 950mm x D 590mm x H 480mm
Weight	24kg
Approx run-time (per tank)	10 hours
