STOCK No. 99746 **BRAND** Draper

BARCODE 5059482000638

WARRANTY 12 months parts and labour

FEATURES

- Hose cutter suitable for flexible pipes 3-14mm diameter
- Compact design ideally suited to use in restricted access areas
- Compatible with rubber, plastic and vinyl pipes and hoses
- V-shaped blade for precision cutting and preventing damage to thin-walled tubes
- Supplied with a high-quality stainless-steel blade
- 2-tone handles with thermoplastic rubber grip for comfort

DESCRIPTION

A compact hose cutter perfect for plastic gas pipes, automotive coolant and fuel hoses between 3-14mm, with the compact design especially suited to use in restricted access areas such as engine bays. V-shaped blade improves cutting precision and prevents damaged to thin wall pipes, tubes and hoses. Our hose cutter includes a high-quality stainless-steel blade which is hardened and polished for durability and improved performance. 2-tone handles with thermoplastic rubber grip for comfort. Compatible with most flexible pipes including rubber, plastic, PVC & vinyl.
