BARCODE 5059482003011

WARRANTY Lifetime

FEATURES

- Set includes 155mm, 165mm and 220mm clamps with 90-degree jaws
- Simple one-handed locking mechanism
- Made from a strong composite material
- Each clamp is a high visibility colour
- Suitable for use on most flexible rubber hoses including coolant, brakes, fuel, and vacuum hoses

DESCRIPTION

Set of three hose clamp pliers featuring a simple one-handed locking mechanism. The 90° jaws assist with reduced access and prevent clamp creep. Manufactured from a strong composite material with rounded jaw edges to prevent damage to the hose. Suitable for use on most flexible rubber hoses including; coolant, brakes, fuel and vacuum.
