STOCK No. 20879 **BRAND** Draper

BARCODE 5059482068935

WARRANTY Consumable Warranty Applies

FEATURES

- Made from high-density foam for an ultra-fine finish and minimum fibre loss
- Ideal for oil and solvent based paints and finishes over smooth surfaces
- Fits a cageless 4" roller frame.

DESCRIPTION

These roller sleeves are designed for achieving an ultra-fine finish on smooth surfaces. They are made from high-density foam which ensures there is no fibre loss during application, making them ideal for oil and solvent-based paints and finishes. These 4" roller sleeves are specifically designed for use on smaller surface areas such as window sills Fits a cageless 4" roller frame.
