230V Quiet Garden Shredder, 2800W

STOCK No. 30293 **BRAND** Draper

BARCODE 5059482115271

WARRANTY 12 months parts and labour

FEATURES

- Powerful induction motor
- Low noise rotary blade
- Shreds branches up to 45mm diameter
- Reverse function to clear blockages
- Feed hopper and safety plunger
- Steel frame fitted with wheels
- 60L collection box

DESCRIPTION

This garden shredder operates with a low-speed, high-torque rotating blade, making it significantly quieter than rapid or impact shredders. Its powerful induction motor enables the blade to handle branches up to 45mm in diameter. Blockages are quickly cleared using the reverse function. The hopper and safety plunger allows safe, easy loading by pushing compostable waste inside without blade contact. The sturdy steel frame houses a spacious 60L collection box for mess-free chipping, and integrated wheels ensure easy maneuverability.

CONTENTS

1 x 230V Quiet Garden Shredder, 2800W
