Millers Oils Millmax 32 Hydraulic Oil, 1L

STOCK No. 14480 **BRAND** Millers Oils

BARCODE 5024081503712

WARRANTY Consumable Warranty Applies

FEATURES

- Exceptional resistance to compression ensures efficient power transfer
- Zinc-based anti-wear properties protect components, extending equipment lifespan
- Superior thermal and oxidation stability maintains system cleanliness over time
- Low-foaming formula minimises aeration and cavitation, ensuring consistent power transfer
- Demulsification prevents water contamination, reducing the risk of rust, corrosion, and decreased lubricity
- Compatible with elastomers and seals, enhancing seal life and reducing maintenance requirements

DESCRIPTION

Millmax 32 is suitable for use in a wide range of applications including industrial hydraulic systems, mobile equipment, injection moulding machines and CNC machinery.

Meeting the performance of stringent OEM specifications such as Bosch Rexroth RDE 90235 and Parker HF-0, Millmax 32 ensures equipment is protected and downtime is prevented.

Meets the specification of DIN 51524-2 (HLP)

CONTENTS

1 x Millers Oils Millmax 32 Hydraulic Oil, 1L

SPECIFICATIONS

ISO VG grade	32
Specific gravity @15°C	0.856g/ml
Kinematic viscosity @ 40°C	32cSt
Viscosity index	117
Pour point	-25°C
Flash point	>225°C
