DESCRIPTION

This variable speed 1/3 sheet sander is ideal for smooth sanding and high manoeuvrability. The dual-facility aluminium base allows sanding sheets to be held in place with conventional sheet clamps or with a hook and loop pad for quick and easy changing of sanding sheets measuring 90 x 182mm. It features a comfortable multi-grip handle designed to reduce hand fatigue. There is a dust extraction facility and collection box to keep mess to a minimum. The sander is supplied with three sanding sheets: 60, 80 and 120 grit.
