

230V Cement Mixer, 160L, Full Assembly Required

STOCK No. 99511 **BRAND** Draper

BARCODE 5010559995110

WARRANTY 12 months parts and labour

FEATURES

- 160L drum capacity
- Supplied with a robust 4-leg stand and wheels
- 230V induction motor (650W)
- No volt safety switch
- Mixer can be used on or off the stand
- Full assembly required

DESCRIPTION

Built to high standards and robustly engineered, this cement mixer has a reliable IP45-rated motor for exceptional performance. The heavy duty drum is ideal for mixing concrete and mortar for small to medium-sized projects. Some assembly is required but once set up, it's light and portable and comes with a support stand and wheels for ease of use on building sites or at home. The mixer can be used on or off the stand.

CONTENTS

1 x Cement Mixer, 160L, Full Assembly Required
