TCT Triple Chip Grind Circular Saw Blade, 255 x 30mm, 100T

STOCK No. 31978 **BRAND** Draper

BARCODE 5059482012914

WARRANTY Consumable Warranty Applies

FEATURES

- Cuts a groove with slanting sides
- High-quality precision-ground carbide teeth
- Anti-kickback design prevents the blade feeding too quickly
- For use on all woods, aluminium, non-ferrous metals, laminates and plastics
- Compatible with most 255mm circular saws with a 30mm bore

DESCRIPTION

This triple chip grind Tungsten Carbide-Tipped (TCT) circular saw blade cuts a groove with slanting sides. This design combines a balanced cutting force, low tooth drag and free chip flow, eliminating chipping in brittle materials such as laminates and chipboards. The high-quality precision-ground carbide teeth make the blade robust. The anti-kickback design prevents the blade feeding too quickly. Designed for use on all woods, aluminium, non-ferrous metals, laminates and plastics. Compatible with most 255mm circular saws with a 30mm bore including Stock No. 90170 and 79899. EN847-1 Standard.

CONTENTS

1 x TCT Triple Chip Grind Circular Saw Blade, 255 x 30mm, 100T

SPECIFICATIONS

Material	Steel with TCT teeth
Diameter	255mm
Bore	30mm
