DESCRIPTION

This premium-quality kit includes a vast selection of commonly used tools for the workshop, mobile engineer and mechanic. Manufactured from high quality chrome vanadium steel, correctly hardened and tempered. Featuring many hand tools including 1/4" and 1/2" Sq. Drive 72-tooth reversible ratchets with soft grip handles, plain slot and PH type screwdrivers, combination spanners, spinner handle, side cutters, combination pliers, long nose pliers and more. Plus, a wide range of Draper HI-TORQ® and MULTI-DRIVE® sockets and spanners. Organised inside a heavy duty reinforced lockable case with aluminium trim and handle, supplied with two keys. The convenience of this comprehensive kit and extra security is ideal for a mobile engineer or mechanic who is fixing and servicing vehicles on the move.
