DESCRIPTION

This lightweight hand push mower is easy to manoeuvre and provides a clean and precise cut for smaller lawns. The steel drum has five cylinder blades providing a generous cutting width of 380mm. To provide a choice of finish, the cutting height is easily adjusted from 18-45mm using the bracket located on the side of the mower. The rear roller creates classic stripes over the lawn and provides stability up to the lawn edges. There is a grass collection bag for keeping the lawn free of cuttings. The soft foam grip handle ensures it is comfortable to push. Fitted with robust plastic wheels.
