DESCRIPTION

The BUNKER Load-Up Stacking Storage System offers the ultimate solution for organising, transporting, and securing your tools. Its modular design enables you to combine tool boxes, organisers and crates to create a customised stacking system that meets your specific needs. This crate is made from high-impact resistant polypropylene and can be stacked with BUNKER Load-Up tool boxes using a fast and reliable interlocking mechanism. It offers ample storage for tools and equipment and features moulded grips for easy lifting. There are side rails for attaching BUNKER Load-Up system accessories. When used with BUNKER Load-Up Side Rail Hooks (Stock No. 31650), you can carry additional tools and keep them accessible. All BUNKER storage comes with a 12-month warranty, extended to 10 years upon registration. Optimise your mobile tool storage and be prepared for any job with the adaptable and robust BUNKER Load-Up Stacking System.
