- Suitable for mountain and road bikes

DESCRIPTION

This steel bicycle stand can be used to raise the rear wheel off the ground for bike display, cleaning and light maintenance. It includes two 100mm long hooks, which are silicone coated to help protect the bike frame from scratches when in use. The hooks can be mounted on the stand at different heights (350, 380, 410, 440, 470 and 570mm) to cater for different bike frame sizes. Suitable for mountain and road bikes.
