230V Tiller, 360mm, 1050W

STOCK No. 24183 **BRAND** Draper

BARCODE 5059482097614

WARRANTY 24 months parts and labour

FEATURES

- Four metal blades for rotivating soil
- Wide twin handle design for greater control
- Lightweight and easy to use

DESCRIPTION

This lightweight and easy-to-use tiller will quickly turn garden soil, saving you valuable time and effort compared to using a fork or spade. It is equipped with four metal blades that reach a depth of 180mm, effectively breaking up compacted earth and allowing air to penetrate the soil. The tiller also features a wide twin handle for better control during use and has convenient 10m long power cable.
