

Emergency Flood Kit 2

STOCK No. 92776 **BRAND** Draper

BARCODE 5010559927760

WARRANTY 12 months parts and labour

FEATURES

- The petrol pump has an easy pull start, a hose outlet size of 25mm and comes with two metal hose couplings, suction filter and box spanner.
- The PVC suction hose has clear walls for ease of checking fluid transfer. It has strong spiral reinforcement and is flexible for ease of positioning.
- The heavy duty layflat hose has a reinforced black liner enabling the host to withstand a higher bursting pressure.

DESCRIPTION

This emergency flood kit includes a petrol water pump which makes it ideal for pumping water in locations where mains power is not available. Ideal for pumping out footings, flooded premises, and large ponds, it is powered by a 2.5HP four stroke petrol engine. It also comes with a 1" PVC suction hose and a layflat 10m heavy duty hose.
