**WARRANTY** 6 months

## FEATURES

- Max. working pressure: 20bar/290psi
- Composite rubber air line hoses for professional workshop use
- Wipe clean oil resistant outer hose perfect for workshop/garage forecourt applications where oil and grease are likely to be present
- Provides better performance at lower temperatures (winter and external applications)
- Supplied with zinc coated fittings

## DESCRIPTION

Nitrile rubber airline hoses designed for professional workshop use. The wipe clean oil resistant outer hose is perfect for workshop/garage forecourt applications where oil and grease are likely to be present. Its composite rubber manufacture delivers a better performance at lower temperatures (winter and external applications) than standard airlines. All these composite rubber airlines are supplied with zinc coated fittings. Display packed.

**Manufactured to BS EN ISO 5774 Specifications**
