

230V Oscillating Spindle and Belt Sander, 450W

STOCK No. 98425 BRAND Draper

BARCODE 5010559984251

WARRANTY 24 months parts and labour

FEATURES

- · No-volt switch
- · Sanding belt, sleeves, drums, wrench and throat plates included
- · 0-45 degree tilting table
- · 38mm dust extraction facility

DESCRIPTION

This oscillating spindle and belt sander has a double configuration with fast, easy changing between spindle sander and belt sander. Dual rotating and vertically oscillating action for fast sanding and improved work rate with reduced chance of burn. The aluminium table tilts 0-45 degrees for easy chamfering and edge work. Maximum versatility and work rate with both intricate, shaped and standard workpieces. Powerful 450W induction motor. Vented throat plates and under-table dust extraction channel. Bench mounted or freestanding operation. Non-latching safety on/off no-volt switch with dust cover. On-board storage for all accessories. Supplied with 100 x 610mm 80 grit sanding belt, sleeves, drums, wrench and throat plates.
