-
- Reinforced, roped hems and aluminium eyelets placed at one-metre intervals and in each corner

DESCRIPTION

Manufactured from 140gsm polyethylene weave, these tarpaulins have reinforced corners. Tear-proof and waterproof, they have a UV filter applied to both sides to prolong life and durability and have been mould and mildew proofed. The tarpaulins have reinforced, roped hems and aluminium eyelets placed at one-metre intervals and in each corner. They are perfect for use in the garden, garage, workshop or boatyard and on the farm.
