

Long Nose Locking Pliers, 200mm

STOCK No. 07099 BRAND Draper

BARCODE 5059482079825

WARRANTY Lifetime

FEATURES

- Long nose jaws automatically adjust, ideal for use in hard to reach spaces
- Built in wire cutter
- Simple one-handed operation
- PVC dipped release handle for grip

DESCRIPTION

This pair of long nose self locking pliers automatically adjust their jaws to the task while applying constant pressure. They are particularly useful holding, placing or removing components where access is difficult. The jaws are forged from chrome vanadium steel and nickel plated for durability, these pliers are designed for easy one-handed operation. The release handle is PVC dipped for better grip. Opening capacity 30mm.
