BARCODE 5010559156306

WARRANTY Lifetime

FEATURES

- Heavy-duty steel frame
- Triple plunge rod for smooth and even dispensing
- Aluminium handle and trigger
- Fits cartridges up to 260mm

DESCRIPTION

This triple rod applicator provides precise and efficient adhesive application. Its triple plunge rod design ensures smooth and consistent dispensing of adhesive. Constructed with a heavy-duty steel frame, it is built for durablity and long-lasting performance. This applicator is ideal for use with polyester resins and other materials with similar viscosity.
