### DESCRIPTION

The BUNKER hardwood corner worktop is tailored specifically for use with our 865mm wide floor cabinets. This modular worktop seamlessly blends style, practicality, and durability to provide the ultimate workspace solution.

This worktop can be used on one individual floor cabinet or as part of the BUNKER modular storage system. It comes supplied with all the necessary fittings for easy installation.

Experience the perfect balance of form and function with the BUNKER hardwood worktop for corner cabinets.

Important Information: Bunker Hardwood Worktops and Shelves

Bunker worktops and shelves are made from hardwood and are sealed with a clear lacquer. Wood is a natural material, and no two tops will be identical in appearance.

There will be a natural variation in colour, grain and will not be an exact match to any representation in brochures or on websites.

Wooden tops are not suitable for use in damp environments and require maintenance to retain and preserve their appearance

**Tools not included**
