

Retractable Metal Snap-off Knives

BRAND Draper

WARRANTY Lifetime

FEATURES

- Rugged zinc alloy construction for long-lasting service
- Retractable SK5 blade for safety
- Snap-off segment blade, coated for reduced friction
- Integrated belt clip for portability

DESCRIPTION

These retractable segment blade knives have a durable metal construction made of zinc alloy for long-lasting service. The blades have snap-off pre-cut sections to ensure the blade is always sharp. They are made from SK5 high carbon steel and have a blackened finish for reduced friction and enhanced performance. Additionally, the knives have an integrated metal belt clip for portability.
