

230V Thicknesser, 330mm, 2000W

STOCK No. 89156 BRAND Draper

BARCODE 5059482018633

WARRANTY 24 months parts and labour

FEATURES

- Large planing capacity 330 x 160mm
- Feed rate of 6m/min
- Anti-kickback
- Fast and efficient cutting performance
- Dust extraction

DESCRIPTION

This powerful thickness planer has a 2,000W motor with overload protection. It has a large planing capacity of 330 x 160mm and a feed rate of 6m/min, enabling it to handle large material. The roller on the top provides easy return of the workpiece to the front of the next pass. The anti-kickback enhances user safety by eliminating the chance of material being ejected toward the user. The fast 8,000rpm cutter head provides highly efficient cutting performance. Fitted with dust extraction port to help keep workspace clear. Supplied with accessories.
