FEATURES

- Four brightness settings (400-800 Lumens) across three lights - long COB, short COB and a spotlight
- Foldable 180° head
- Strong mounting magnets
- 360° swivel hook
- LED charging indicator and low battery indicator
- Compatible with wireless charging pad (available separately)
- Supplied with USB-C charging cable

DESCRIPTION

This rechargeable folding light has a foldable 180° head to adjust the beam as needed. It offers four brightness settings (400-800 Lumens) across three lights - long COB, short COB and a spotlight for use as a torch. For hands-free use, there is a 360° swivel hook and strong mounting magnets located on the back and in the base. There are charging LED indicators and a low battery indicator. The light can be charged directly using the supplied USB-C cable or wirelessly via the charging base (available separately).
