DESCRIPTION

A powerful kit designed for forestry, agriculture and garden maintenance. The lightweight and compact cordless D20 Chainsaw is fitted with a host of features including a low kickback Oregon® bar and chain and an easy to use tool-free chain tensioner. Also, in the kit you'll find a cordless D20 20V Pruning saw which cuts up to 60mm diameter of wood and 3mm of metal, making it ideal for cutting through nails holding fence panels together. A forestry helmet, 2 batteries and a charger are also supplied.

24 month warranty extended to 36 months on registration.

The D20 interchangeable battery system allows users to combine the same battery/batteries with any of the tools within the D20 series.
