DESCRIPTION

Upgrade your workspace with the BUNKER modular floor 5-drawer cabinet. This sleek unit is manufactured from premium steel and features 5 drawers and aluminium handles for easy access.

The cabinet's matt black textured finish, achieved through a durable industrial powder coating, is built to resist scratches, wear, and corrosion. Each drawer features a soft-close operation and foam lining to keep your tools safe. Plus, an integrated lock with two keys keeps your valuables secure. The adjustable feet can be unscrewed and replaced with castor wheels (stock number 09056).

You can use this cabinet on its own or integrate it seamlessly into the BUNKER modular storage system. Choose from 24 smart modular options to design a workspace that perfectly suits your needs, and add a stainless steel or hardwood worktop (sold separately) to create a complete workstation.

Start your journey with BUNKER today and place your order online through our network of trusted stockists.

Some BUNKER products are sent on pallets. Their high quality construction means that some products are heavy and will require two people to lift them. Tools not included.
