STOCK No. 18111 **BRAND** Draper

BARCODE 5059482066269

WARRANTY Lifetime

FEATURES

- Carbon steel alloy blade
- TPR soft grip handle with 90° and 45° angle markings
- Teflon® coated blade for long service
- Hang hole on the blade for easier storage

DESCRIPTION

This handsaw is ideal for cutting cellular concrete blocks and soft stone, thanks to its specially designed carbon steel alloy blade. The blade is Teflon® coated to enhance its performance. The comfortable TPR soft grip handle features 90° and 45° angle markings for precision cutting. Plus, there is a hang hole towards the end of the blade to make storage easier.

CONTENTS

1 x Concrete and Masonry Saw, 650mm, 1.4tpi
