Safety Goggles

STOCK No. 29578 **BRAND** Draper

BARCODE 5059482111587

WARRANTY 12 months parts and labour

FEATURES

- Compact and lightweight
- Clear lenses
- PVC frame and tough polycarbonate lens for impact protection
- Vented design for user comfort
- Adjustable strap for a secure and comfortable fit

DESCRIPTION

This pair of safety goggles is both lightweight and compact, thanks to its PVC frame. The durable, clear polycarbonate lenses offer impact protection against flying debris. The vented design allows for air circulation, ensuring comfort while working. There is an adjustable strap for a secure and comfortable fit.

Conforms to EN ISO 16321-1:2022
