WARRANTY 12 months parts and labour

FEATURES

- Three brightness settings (250-1,000 Lumens) and a spotlight (200 Lumens)
- 180° head
- Strong mounting magnets
- Two 360° swivel hooks
- LED charging indicator and low battery indicator
- Compatible with wireless charging pad (available separately)
- Supplied with USB-C charging cable

DESCRIPTION

This rechargeable inspection light features a 180° head to adjust the beam as needed. It offers three brightness settings - low, medium, high, as well as a spotlight for use as a torch. For hands-free use, there are two 360° swivel hooks and strong mounting magnets located on the back and in the base. Additionally, it has charging LED indicators and a low battery indicator. The light can be charged directly using the supplied USB-C cable or wirelessly via the charging base (available separately).
