BRAND Draper Expert

WARRANTY Lifetime

FEATURES

- Manufactured from hardened and tempered chrome vanadium steel, with black electroplating for corrosion protection
- The 100-tooth ratchet enables 3.6° movement and with a 180° flexible head and the open end set at 15°, the spanner is ideal for use where there's limited space
- Optimal leverage through 12-point HI-TORQ® ring end
- The ring end is 12-point HI-TORQ®, providing a superior grip

DESCRIPTION

These Draper Expert HI-TORQ® metric flexible head ratchet combination spanners are manufactured from hardened and tempered chrome vanadium steel, with black electroplating for corrosion protection. The 100-tooth ratchet enables 3.6° movement and with a 180° flexible head and the open end set at 15°, these spanners are ideal for use where there's limited space. The ring end is 12-point Draper Expert HI-TORQ®, providing a superior grip; with Draper Draper Expert HI-TORQ®, the spanners grip the flats of the fastener rather than the corners. This gives more grip while transmitting more torque to the nut or bolt and prevents damage to the corners by spreading the load across the flats. Available individually and in sets, which come supplied in a useful storage/carry rack.

Stock No.	Size	Length	Measurement
03914	8mm	159mm	Metric
03915	9mm	165mm	Metric
