FEATURES

- Chrome molybdenum steel with black phosphate finish for durability
- Aligns socket to fastener quickly
- Low profile design enables easy access to tight spaces
- Supplied in a robust plastic storage case

DESCRIPTION

This set of pipe plug impact sockets is made from chrome molybdenum steel and has a black phosphate finish for enhanced durability. The tapered male square drive and chamfered female square drive allows quick alignment of the socket with fasteners. The low profile design provides easy access to tight spaces. Suitable for 3/8" Sq. Dr. ratchets and impact wrenches. Supplied in a robust plastic storage case.
