Draper Expert Canvas Tool Bag, 600mm

STOCK No. 72999 **BRAND** Draper Expert

BARCODE 5010559729999

WARRANTY 12 months parts and labour

FEATURES

- PVC-dipped heavy-duty canvas provides added strength, helping the bag withstand regular handling in demanding working environments
- Rope-reinforced handle encircles the entire bag and is double-stitched and riveted, helping distribute carrying loads across the bag's structure
- Bound internal seams help protect the seam edges against wear during repeated use
- Heavy-duty nylon zip keeps tools enclosed during transport and storage
- Wooden board base provides a firm supporting surface, while the four base studs help keep the bottom raised from the ground and reduce direct contact with floor surfaces
- The 600mm length provides space for storing and transporting a selection of tools and equipment

DESCRIPTION

The 600mm heavy-duty blue tool bag is designed to carry and store tools on site, in workshops and during maintenance jobs, with reinforced construction for everyday trade use. Ideal for tradespeople, maintenance technicians, engineers and DIY, it features a rope-reinforced handle, bound internal seams, and a heavy-duty nylon zip.
