VDE Approved Fully Insulated Nut Drivers

BRAND Draper Expert

WARRANTY Lifetime

FEATURES

- Fully insulated to VDE and EN 60900 standards
- Provides protection from electric shocks up to 1500V DC and 1000V AC
- Ergonomic handle ensuring comfort and control even when used for prolonged periods
- For use with fasteners of differing depths
- Essential tool for electrical and industrial applications, especially useful for electricians, maintenance engineers, construction workers and electric vehicle technicians working on modern hybrid and electrical vehicles (1500V DC safe live working)

DESCRIPTION

Expert quality Ergo Plus, patented dual-layer insulated sheath, which makes any damage highly visible. Individually tested to 10,000V, suitable for working on live circuits of 1,000V AC and 1,500V DC. Ergonomic soft grip bi-material handle allows free spinning in the palm of your hand to quickly tighten screws, but also allows transfer of torque when needed. Designed with flat sides to prevent them from rolling. For use with hexagon fasteners of differing depths. An essential tool for electrical and industrial applications, especially useful for electricians, maintenance engineers, construction workers and electric vehicle technicians working on modern hybrid and electrical vehicles.

Tested to EN60900
