

All-Season Windscreen Shield

STOCK No. 06536 **BRAND** Draper

BARCODE 5059482055140

WARRANTY 24 months parts and labour

FEATURES

- Protects against snow, rain, frost, dust and sun
- Dual layered
- Quick, easy installation using side flaps
- Fitted with silver side facing upwards

DESCRIPTION

This all-season dual-layered aluminium windscreen shield is perfect for use in any season as it is rain, frost, ice and snow-resistant, and it also gives protection against dust and acts as an ultraviolet sunshade. It is fitted with the silver side facing upwards and is lightweight and quick and easy to install, using side flaps which are trapped between the front doors.
