STOCK No. 37607 BRAND Draper

BARCODE 5059482021626

WARRANTY Consumable Warranty Applies

FEATURES

- Made from black silicon carbide
- Better suited for light work and contoured surfaces
- Ideal for general cleaning applications, rust and paint removal, and surface preparation
- Compatible with 115mm angle grinders

DESCRIPTION

This polycarbide strip disc is made from black silicon carbide, which is softer and more flexible than other abrasive materials making it better suited for light work and contoured surfaces. Ideal for general cleaning applications, rust and paint removal, and surface preparation whilst reducing damage to the workpiece. Compatible with 115mm angle grinders including Stock No. 56488.
