Clutch and Brake Bleeding Kit

STOCK No. 29358 **BRAND** Draper

BARCODE 5059482111006

WARRANTY 12 months parts and labour

FEATURES

- Pump-action manual bleeder
- Ideal for one-person operation on vehicles unable to be bled using suction
- Reservoir holds 3L of hydraulic fluid
- 1L waste oil bottle
- Easy to read pressure gauge

DESCRIPTION

This pump-action manual brake and clutch bleeder is perfect for one-person operation on vehicles that cannot be bled using suction methods. The reservoir holds 3L of hydraulic fluid, and a 1L waste oil bottle ensures enough brake fluid to service the entire brake system in one go. The visual pressure gauge allows for monitoring the pressure, enabling safe use. It comes with a wrench for easily unscrewing the cap to refill the brake fluid.

CONTENTS

1 x Cap wrench

1 x 45mm adaptor cap

SPECIFICATIONS

Reservoir capacity	3L
Operating pressure	29-80psi/2-5bar
Max pressure	5bar/80psi
