WARRANTY Lifetime

FEATURES

- Detachable bag with eight external pockets
- Sturdy steel frame with durable Oxford fabric seat and bag
- Ideal for use while gardening, fishing and camping
- Maximum load 110kg

DESCRIPTION

This portable folding chair has a detachable tool bag with lots of storage space, making it ideal for use while gardening, fishing, camping and other outdoor activities. It has a sturdy steel frame for extra strength and can support up to 110kg. The seat and detachable bag are made from thick Oxford fabric, which is exceptionally hardwearing. The bag has two carry handles and eight organiser pockets, perfect for storing tools and equipment. It is easily removed and reattached to the stool using the snap-type fastener poppers.
