- Professionally ground tungsten carbide tip for a faster cut
- Precision ground flutes with 135° tip angle
- Suitable for use with concrete, brick, stone, slate and all masonry
- Compatible with a standard 10/13mm chuck

DESCRIPTION

The Draper Masonry Series drill bits are heavy-duty and precise. Made from an alloy-steel with a professionally ground tungsten carbide tip for a faster cut and longer service life. The precision ground flutes with 135° tip angle ensures efficiency when drilling into dense building materials. Suitable for use with concrete, brick, stone, slate and all masonry. Compatible with a standard 10/13mm chuck.
