7.4V Compact Digital Air Compressor

STOCK No. 23630 **BRAND** Draper

BARCODE 5059482071072

WARRANTY 12 months parts and labour

FEATURES

- Digital LED display with PSI, BAR and KPA readings
- Choice of four preset inflation modes and a manual mode
- Integrated multifunction LED torch
- Suitable for inflating most tyres, airbeds, footballs and paddling pools
- Includes air hose, three different inflation nozzles and USB-C charging cable
- Supplied with canvas storage bag

DESCRIPTION

This portable air compressor features a large digital LED gauge that shows pressure in PSI, BAR, and KPA. It has four preset inflation modes for car, motorbike, bicycle, and ball, as well as a manual mode for setting custom pressure values. The compressor is suitable for inflating most vehicle tyres, including cars, bicycles, motorcycles, light commercial vehicles, and 4x4s. It comes with an accessory kit containing an air hose and inflation nozzles, making it useful for inflating airbeds, paddling pools, and footballs. Additionally, it features an integrated LED torch with constant beam, slow flashing/SOS, and fast flashing/strobe modes. The compressor is powered by a lithium-ion battery and can be recharged in 2 hours using the provided USB-C cable. It is conveniently sized for portability and comes with a canvas storage bag for keeping all the components together.

CONTENTS
