## FEATURES

- High-quality double-action blades
- Two-handed safety trigger switch
- Strain relief for power cord
- Quick-stop electronic brake
- Supplied with blade storage guard and fitted with 6m cable and plug

## DESCRIPTION

This lightweight hedge trimmer is equipped with high-quality 450mm long double-action blades. The robust 500W motor, metal gears and mechanical syncro help enhance the cutting performance. There is a two-handed VDE approved trigger switch with hand guard and quick-stop electronic brake for safety. The design incorporates strain-relief for the power cord and also a cable hook to help manage the power cord while trimming. Supplied with a transparent blade storage guard and fitted with 6m VDE approved cable and plug.
