STOCK No. 07102 BRAND Draper

BARCODE 5059482079849

WARRANTY Lifetime

FEATURES

- Curved jaws automatically adjust, ideal for use in confined spaces
- Built in wire cutter
- Simple one-handed operation
- PVC dipped release handle for grip

DESCRIPTION

This pair of angle-nose self locking pliers automatically adjust their jaws to the task while applying constant pressure. They are particularly useful in confined spaces. The jaws are forged from chrome vanadium steel and nickel plated for durability, these pliers are designed for easy one-handed operation. The release handle is PVC dipped for better grip. Opening capacity 25mm.
