

Petrol Earth Auger Kit

STOCK No. 68294 **BRAND** Draper
BARCODE 5059482006937
WARRANTY 12 months parts and labour

FEATURES

- Ideal for boring fence and gate post holes, or for deep rooted planting
- Safety lanyard for quick emergency shut-off
- Supplied with three 800mm auger bits

DESCRIPTION

Designed for use when digging out earth for fence or gate posts, planting trees or hedges, this useful tool is powered by a two-stroke, single cylinder, air cooled engine. Easily operated by one person using the twin handles with foam grip. The tool features a straight-forward recoil start and a safety lanyard, worn around the wrist, which enables quick emergency shut-off when required. The kit comes complete with three auger bits of 800mm length; 100mm, 150mm and 200mm diameter. Compatible with E10 Fuel
