

## Pocket Analogue Multimeter

**STOCK No.** 37317 **BRAND** Draper

**BARCODE** 5010559373178

**WARRANTY** 12 months parts and labour

### FEATURES

- Fuse and diode protected.

### DESCRIPTION

Handy pocket analogue multimeter for use in electrical and automotive applications. Supplied with test probes, a crocodile clip probe set is available separately. Measures AC and DC Voltage, Measures DC current, Measures resistance, 16 position

#### IEC61010 Specifications

### CONTENTS

- 1 x Pocket Analogue Multimeter
- 2 x Test probes & leads

**SPECIFICATIONS**

|                       |                        |
|-----------------------|------------------------|
| AC Current            | N/A                    |
| AC Voltage            | 10V/50V/250V/500V      |
| Automatic Power Off   | N/A                    |
| Battery               | 1 x AA                 |
| Capacitance           | N/A                    |
| DC Current            | 550uA/10mA/250mA/10A   |
| DC Voltage            | 2.5V/10V/50V/250V/500V |
| Diode on/off Test     | N/A                    |
| Dimensions            | 64mm x 35mm x 102mm    |
| Duty Ratio            | N/A                    |
| Dwell                 | N/A                    |
| Frequency             | N/A                    |
| Resistance (Ohms)     | 10Ω/1kΩ                |
| Size                  | 64 x 100 x 35mm        |
| Symbol Unit Data Hold | N/A                    |
| TACH                  | N/A                    |
| Temperature Range     | N/A                    |
| Weight                | 100g (approx.)         |
