BARCODE 5010559414369

WARRANTY 12 months parts and labour

FEATURES

- Designed for cleaning tubes, gratings, sleeves and cylinders made from ferrous metals
- Hardened steel wire
- Strong construction with crimping action
- Fitted with a non-slip 6mm twisted shank
- Compatible with most drill drivers and drills with a 13mm chuck

DESCRIPTION

This wire tube brush is designed for cleaning tubes, gratings, sleeves and cylinders made from ferrous metals. The bristles are made from hardened steel wire, which gives a high level of durability and performance. The brush is strong enough to provide reliable performance, and the crimping is flexible to tackle recessed areas and irregular surfaces. Fitted with a 6mm twisted shank. Compatible with most drill drivers and drills with a 13mm chuck.
