Draper Expert Breakback Torque Wrench, 3/4" Sq. Dr., 200-800Nm

STOCK No. 24071 **BRAND** Expert

BARCODE 5059482095115

WARRANTY Lifetime

FEATURES

- Push-through ratchet for use clockwise and anti-clockwise
- Breakback mechanism prevents over torque
- Easy-to-read scale
- Comfortable soft grip handle
- Two-piece design for easier storage
- Supplied in a robust storage case

DESCRIPTION

This heavy-duty breakback torque wrench has a torque range of 200-800Nm and features a push-thru drive that allows for tightening in both clockwise and anti-clockwise directions. The breakback mechanism provides a clear indication when the required torque is reached by pivoting back at the joint, which helps prevent over-torquing. It also includes an easy-to-read scale and a comfortable soft grip handle. The wrench measures 1,310mm in length and has a two-piece design for convenient storage. It comes in a robust storage case.

Manufactured in accordance with ISO6789
