

Digital Tyre Pressure and Tread Depth Gauge

STOCK No. 29939 BRAND Draper

BARCODE 5059482113680

WARRANTY 12 months parts and labour

FEATURES

- Dual pressure display psi/bar
- Auto shut off
- Powered by CR2032 3V lithium coin battery (supplied)

DESCRIPTION

This compact gauge is designed to measure the tyre pressure and tread depth of vehicle tyres. The pressure is displayed in both psi and bar. To conserve battery life, the device has an automatic shutoff feature that activates after 90 seconds of inactivity. It is powered by a CR2032 3V lithium coin battery, which is included.
